Personnel Security Consultants, Inc. Training Announcement

Now Accepting Registrations!

Dear Michele,

We are excited to announce our upcoming training programs for Fall 2014.

Pre-Screening/Fingerprint Techniques Training

Eight hour workshop covers best practices for screening new hires and volunteers. It also includes an overview of fingerprinting history; instruction on how to properly complete fingerprint submissions; and how to identify the three general fingerprint pattern groups.

The workshop will include hands-on instruction on how to take a set of clear and legible fingerprints for processing. After completion of the workshop, attendees will be able to take fingerprints and properly perform basic classification of fingerprints. These two skills can dramatically decrease the number of unclassifiable prints and reduce fingerprint processing times.

Date: 10/15/2013, 8:30-4:30 pm
Location: PSC Training Center
219 Central Avenue, Albuquerque, NM
Cost: \$300.00 per attendee

Advanced Employee Adjudication Training

This two day course assists employers already conducting employee background investigations and adjudication decisions.

Attendees will learn how to:

- Properly document investigations
- Conduct the more complex portions of a background

Congress Considering Expanding Access to Background Checks

The bipartisan Child Protection Improvements and Electronic Life and Safety Security Systems Act would facilitate widespread access by service organizations that work with youth to state and federal background checks.

New Mexico Senator Tom Udall, one of the bill's cosponsors, talked about the importance of background checks for organizations who serve youth. He said, ***"We need to do everything we can to keep our sons and daughters safe from violent predators, and organizations... should be able to access this federal background check data to fully screen applicants for jobs that serve our children."***

Regardless of your organization's status or tribal affiliation, we can help you protect the children and youth in your care with expert background checks, employee investigations, and adjudication. **Call today to see how we can help!**
